IN MALVERN'S WORDS

Why Malvern

- **15+ years of Malvern**
  Premium, British-made garden buildings.
- **30+ RHS awards**
  Six years at RHS Chelsea with the Houseplant Studios.
- **Made in the UK, made to order**
  Handmade in Malvern's factory in Worcestershire.
- **12 showsites nationwide**
  See, touch and compare the buildings before you choose.
- **10-year structural guarantee**
  Including rot and decay, subject to Malvern's maintenance terms.
- **Installed by Malvern's fitters**
  Typically within 1 to 3 days, depending on the size.
- **Complimentary site visit**
  To appraise your garden's access and advise on the best position.
- **Fully managed planning service**
  Most garden buildings don't need planning permission; if yours does, Malvern's approved partner handles it.
- **35 finishes, painted in the factory**
  Undercoat and top coat applied before your building leaves.
- **Ex-display buildings**
  Each year Malvern refreshes its showsites with 25% or more off.

VISIT A SHOWSITE

See, touch and compare Malvern's buildings at any of its 12 showsites. Opening times are on Malvern's visit page.
