Garden rooms and pergolas

The Rooms Outdoor range: sizes, specification and how it works

- Over 20 years designing, making and installing thousands of modular garden rooms.
- Delivery, foundations, installation, plastering and decoration are included as standard.
- They lay their own 1m-deep concrete and steel-beam foundations, independently assessed as suitable within tree root protection areas.

Cuberno

Their most popular garden office and studio

Inspired by Le Corbusier: a covered deck under a deep canopy, sliding doors and floor-to-ceiling glazing that open the room to the garden.

Sizes (outside, width x depth)

4.5 x 3.5m	5.1 x 3.5m	5.7 x 3.5m	6.3 x 3.5m
6.9 x 3.5m	7.5 x 3.5m	4.5 x 4.1m	5.1 x 4.1m
5.7 x 4.1m	6.3 x 4.1m	6.9 x 4.1m	7.5 x 4.1m
5.1 x 4.5m	5.7 x 4.5m	6.3 x 4.5m	6.9 x 4.5m
7.5 x 4.5m			

Included as standard

Western Red Cedar, Windows and doors, Hardwood deck step, Roof canopy, Oak flooring, Skim coated interior, Ceiling lights, Interior paint finish. Delivery, foundations and installation, plastering and decoration.

Options

Front doors, Window and door frames, Left wall window, Right wall window, Back wall window, Cladding, Fascia and front frame, Extended deck, Integral blinds in the glazing, Outdoor lighting, Kitchen, shower room or storage, Floor finish, Heating upgrades, Extra electrics.

Solo

A compact, self-contained home office

Floor-to-ceiling windows and a door set in the corner under a wrap-around canopy. Insulated, double glazed, with LED lighting, a convector heater and a Cat6 data point.

Sizes (outside, width x depth)

3.4 x 3.0m	3.6 x 3.0m	3.8 x 3.0m	4.0 x 3.0m
4.2 x 3.0m	4.4 x 3.0m		

Included as standard

Roof canopy, Windows and doors, Western Red Cedar, External lights, Skim coated interior, Interior paint finish, Ceiling lights, Oak flooring. Delivery, foundations and installation, plastering and decoration.

Options

Cladding, Fascia and front frame, Extended deck, Integral blinds in the glazing, Floor finish, Heating upgrades, Extra electrics.

Trafiko

A garden gym, with planning permission included

Engineered as a garden gym with reinforced foundations and floor. Fibre cement walls, a run of cedar slats and black frames give it a simple industrial look.

Sizes (outside, width x depth)

3.9 x 2.7m	4.5 x 2.7m	5.1 x 2.7m	5.7 x 2.7m
6.3 x 2.7m	3.9 x 3.3m	4.5 x 3.3m	5.1 x 3.3m
5.7 x 3.3m	6.3 x 3.3m	3.9 x 3.9m	4.5 x 3.9m
5.1 x 3.9m	5.7 x 3.9m	6.3 x 3.9m	3.9 x 4.5m
4.5 x 4.5m	5.1 x 4.5m	5.7 x 4.5m	6.3 x 4.5m
3.9 x 5.1m	4.5 x 5.1m	5.1 x 5.1m	5.7 x 5.1m
6.3 x 5.1m			

Included as standard

Western Red Cedar, External light, Double glazed windows and doors, Cement board, Skim coated interior, Grey oak style flooring, Internal painting in white, Ceiling lights. Delivery, foundations and installation, plastering and decoration.

3.0 x 4.0m	4.0 x 4.0m	5.0 x 4.0m	6.0 x 4.0m

Included as standard

Aluminium frame, Rotating roof louvres, Somfy remote control, Hidden gutter and downpipe. Delivery, foundations and installation.

Options

Frame and louvre colour, Left side, Right side, Front, Back, LED lighting.

How it works

1 **Site survey**

A designer checks your garden, access and ground, and confirms the specification.

2 **Pay deposit**

Your deposit confirms the order. The detailed specification follows within 15 business days.

3 **Manufacturing**

Your room is made to order off site.

4 **Installation**

Their own crew lays the foundations and installs, plasters and decorates the room.

Built to last

- Multi-layer SIP walls (up to 10 layers) with a breathable membrane and a vented cavity behind the cladding.
- Vertical Western Red Cedar, fixed with stainless steel, weathers to a silver-grey patina.
- Powder-coated aluminium fascias are maintenance-free and keep their colour.
- Laminated Scandinavian redwood frames, 26mm argon-filled double glazing and concealed multi-point locks.
- Engineered semi-solid oak flooring, suited to underfloor heating, comes as standard.
- Full electrical fit-out with its own consumer unit, all cabling concealed, and a Part P certificate.
- A limited 10-year materials-only structural warranty.
- Morvelle aluminium pergolas, made in Hampshire, often installed within a day.
- Every pergola carries a ten-year manufacturer's warranty.
